

Jim's Cheap and Effective Weedkiller

Ingredients

Cheap malt vinegar

Salt

Washing-up liquid

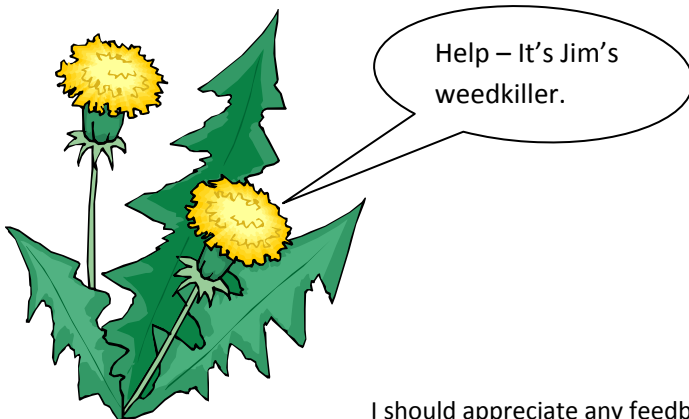

Instructions

- 1) Half fill an empty spray bottle (as below) with malt vinegar (cheapest possible).

- 2) Gradually add salt and shake until the solution is saturated (there is a very thin layer of salt on the bottom).
- 3) Add a squirt of washing-up liquid.
- 4) Top up with the malt vinegar, put the top on the bottle and shake.

Simple **and** Cheap but very effective.

I should appreciate any feedback regarding my weedkiller to: mail@jimbakersonlinelearning.co.uk
